

Terms and Conditions of Annual Travel Insurance
VB-RS 2014 (JRV)

In the present Terms and Conditions of Insurance, the policyholder and insured persons are referred to as "you". The present Terms and Conditions of Insurance apply to you as the policyholder to you as the insured person. You are the policyholder if you have concluded an insurance contract with HanseMerkur. You are an insured person if you are also insured under the terms of a policy taken out by the policyholder. The policyholder may also be an insured person.

Your Terms and Conditions of Insurance comprise two sections. Section A contains information on insured persons, insurance deadlines and payment of premiums. This section also outlines the restrictions and codes of conduct (obligations) that apply to all insurance policies. Section B includes the scope of cover for the individual insurance policies. In addition to benefits and eligibility for benefits, this section also stipulates exclusions and codes of conduct applying only to the relevant insurance policy.

A: General Section (valid for all insurance policies specified in Section B)

§ 1 Insured persons and eligibility for insurance

Insured persons are those persons named in the insurance certificate.

Newborn children of insured persons are insured on completion of birth insofar as they are insured with HanseMerkur retrospectively within 2 months of birth and no other insurance cover applies.

The following are eligible for insurance.

1. Persons resident in the Federal Republic of Germany.
2. Families: families are deemed to comprise a minimum of 2 individuals sharing a household. Up to 2 adults and children under the age of 21 may be insured. For family members travelling alone, the sum insured is 50% of the agreed family sum insured.

§ 2 Conclusion and termination of the insurance contract

1. You may conclude the insurance contract at any time. The insurance contract starts at the agreed time and is concluded for the duration of one year. The contract is automatically renewed for an additional year respectively if neither you nor HanseMerkur cancel the contract in writing 3 months before expiry.
2. The above is without prejudice to statutory provisions regarding the right of extraordinary termination.
3. The insurance contract ends upon your death or when you cease to reside in the Federal Republic of Germany. Notwithstanding this, insured persons may continue the insurance contract for a term of 2 months following your death or departure from the Federal Republic of Germany by naming a future policyholder.

§ 3 Premium

1. Payment of the first premium
 - a) The first premium falls due for immediate payment upon your receiving the insurance certificate and the premium calculation.
 - b) If the premium is not paid in a timely manner and payment is made at a later date, cover does not commence until said later date. Notwithstanding this, the above applies only if you are responsible for non-payment and if HanseMerkur has separately notified you of such a consequence in writing, e.g. in the insurance certificate.
 - c) If payment of the first premium is not made in a timely manner, HanseMerkur may withdraw from the contract for the duration of the period of non-payment. Notwithstanding this, the above applies only if you are responsible for non-payment.
2. Payment of subsequent premiums
 - a) Each subsequent premium is valid for one insurance year and falls due at the start of the insurance year.
 - b) If you fail to pay subsequent premiums in a timely manner, HanseMerkur may demand payment in writing and set a payment deadline of at least 2 weeks. If you have not paid by the end of the payment deadline, cover will cease from this point until payment, and HanseMerkur may cancel the contract. Notwithstanding this, the above applies only if HanseMerkur has notified you of such a consequence together with the demand for payment.
 - c) The contract will continue to apply if HanseMerkur cancels and you pay the requested amount within one

month of receipt of the notification. Notwithstanding this, no cover will apply for insured events occurring between point of cancellation and receipt of the payment.

3. Amount of premium

The schedule of premiums provides information on the amount of premium for individuals or families. This is split into contribution levels based on the age of the insured person and the insured price of the trip.

- a) If you no longer constitute a family within in the meaning described above, HanseMerkur will, on the next payment date, amend your amount of premium from the family insurance rate to the rate for individual insurance policies valid at the transfer date. Such a switch will be to the contribution level closest to half of your previously insured trip price. You will not receive separate notification of this switch.
- b) At the end of the year in which they attain their 21st birthday, insured children will be switched to the rate for individual insurance policies valid at the transfer date. Such a switch will be to the 1st contribution level for individual insurance policies. Notwithstanding this, the minimum trip price to be insured will be EUR 1,000. You will not receive separate notification of this switch. When you attain the age of 65, HanseMerkur will, on the next payment date, amend your amount of premium to the contribution level for policyholders over the age of 65. You will not receive separate notification of this switch.
- c) Whenever the amount of your premium changes, you may give notice of termination of contract within 2 months of such a change to take effect when the change becomes effective.

4. Collection of premiums

If premiums are collected from an account, this is done immediately after authorisation for direct debit is given. A payment is deemed to have been made in a timely manner if the premium can be collected on the day of payment and you do not object to the collection of the payment. If the premium cannot be collected by us for reasons which are not your fault, payment will still be deemed to have taken place in a timely manner if instigated immediately upon receipt of a demand for payment from HanseMerkur.

§ 4 Scope of application, inception, term and end of the coverage

1. The insurance cover applies worldwide. Cover only applies to trips within the Federal Republic of Germany if the distance between the place of residence of the insured person and the destination is more than 50 kilometres. Journeys from and to the insured person's place of work do not constitute trips.
2. Upon payment of the premium, cover starts for all trips booked after the contract has been concluded. Cover for trips already booked only applies for travel cancellation insurance if insurance was concluded at least 30 days before the trip commences. If there are fewer than 30 days between the booking of the trip and the start of the trip, cover only applies for such a trip if travel cancellation insurance was concluded no later than on the third working day after the trip was booked. For all other types of insurance, cover only applies if the contract is concluded

before the start of the trip. A trip is deemed to have commenced once the first travel service has been fully or partially used. If the contract is concluded after the start of the trip, cover only applies for subsequent trips.

3. Cover applies to any number of temporary, insured trips booked or commenced within one year. If a trip lasts for a period of more than 56 days, obligation to pay benefits applies only for the first 56 days of the trip. If the annual policy period expires during a trip, insurance cover will only continue if notice of termination of contract has not been given.

Insurance cover under travel cancellation insurance ends upon the commencement of the relevant trip. For the other types of insurance, insurance cover ends at the end of the insured trip.

If a contract is cancelled, cover applies after the contract expires if it is only possible to finish a trip after the end of the contract because the planned end of the trip is delayed for reasons for which you are not responsible.

For children insured under the family insurance, cover ends at the latest in the insurance year in which the child attains the age of 21. HanseMerkur will not send separate notification of this.

§ 5 Restrictions to cover

HanseMerkur does not pay benefits in the following cases.

1. You maliciously deceive us regarding circumstances which affect the reason for or amount of the benefit.
2. You act with intent in causing the damage.
3. The insured event was predictable at the point of booking the trip or upon conclusion of the insurance contract.
4. The insured event was caused by one of the following events:
war, civil war, incidents similar to war, civil unrest, strike, nuclear power, confiscation, impoundment or other higher authority interventions or active participation in violent acts during public meetings or proclamations.

§ 6 General obligations and consequences of breach of obligations

1. Keep the damage to a minimum and avoid everything that might result in an unnecessary increase in cost.
2. You must provide all information regarding the insured event truthfully and in full. You must fully complete and return the claim form sent to you. Any receipts and relevant information additionally requested by HanseMerkur must be provided in the same way.
3. Compensation claims against third parties are covered by HanseMerkur to the amount of the payment made according to the legal provisions. HanseMerkur is required to ensure that you do not suffer any disadvantage in this regard. If necessary, you are required to assist with the assertion of the compensation claim.
4. HanseMerkur is no longer required to pay benefits if you act with intent in breaching one of the above obligations. In the case of grossly negligent breach of an obligation,

HanseMerkur is entitled to reduce benefits in accordance with severity of fault. Cover will remain in place if you are able to demonstrate that you did not act in a grossly negligent manner in breaching the obligation.

§ 8 Payment of the insurance benefit

1. Costs in foreign currency
HanseMerkur converts costs incurred in a foreign currency into Euros using the rate on the day when it received the receipts. The official currency exchange rate applies, except if you acquired the foreign currency for paying the invoices at a less favourable rate.
2. Due date of our payment
As soon as HanseMerkur has received evidence of the insurance and premium payment and has determined its obligation to pay benefits and the amount of the compensation, payment will be effected within 2 weeks at the latest.
You may request a suitable advance payment in circumstances where an obligation to pay benefits has been determined but the amount of the compensation cannot be determined within one month of receiving a claim.
If official inquiries or criminal law proceedings are initiated against you or an insured person in connection with an insured event, HanseMerkur may postpone settlement of a claim until such proceedings have been completed and have legal force.
3. Compensation from other insurance contracts
If compensation from a different insurance contract can be claimed in the case of an insured event, the other contract takes precedence over the present Agreement. This also applies if subordinate liability has already been agreed in such insurance contracts and regardless of when the other insurance contract was concluded. If you report the insured event to HanseMerkur first, HanseMerkur will make an advance payment and will contact the other insurance company directly regarding sharing of costs.

§ 9 Applicable law, limitation period, application for insured persons

The present Terms and Conditions of Insurance are further governed by the German Insurance Act and by the Law of the Federal Republic of Germany to the extent that this is not in contradiction to international law. Claims under this insurance contract have a limitation period of 3 years. The period of limitation begins at the end of the year in which the benefit can be requested. If you have reported a claim, the period of limitation is postponed until such time as you receive a decision from HanseMerkur in writing.

All provisions of the insurance contract apply *mutatis mutandis* to you in your capacity as policyholder and to the insured persons.

§ 10 Declarations of intent and notifications

Declarations of intent and notifications made to HanseMerkur must be in writing (letter, fax, e-mail, electronic data media, etc.).
